Our Mission

Since 1985, the mission of the American Baptist Foundation is to support and strengthen the Christian witness fulfilled by the Foundation's partners in ministry and mission.

The Foundation encourages individuals to support the endeavors of these partners through what is known as "planned giving" —establishing wills and other charitable estate plans.

Give While You Live... and Later

Some of our loyal donors have discovered a way that they can continue to support the ministries and missions that they continue to support now – long after they are gone. Whether their goal is to improve the lives of our partners in Burma with International Ministries, support the Children in Poverty initiative at AB Home Mission Societies, sponsor a regional camp, or bolster the work of their home church – they make arrangements now to provide a bequest through their wills to establish an endowment fund that will provide annual gifts in perpetuity.

For example, if you have been faithfully tithing or making annual gifts of \$2,000, in your estate plans you may arrange for \$50,000 to create an endowment fund in your name. Thereafter, an amount approximately equal to your previous annual gift will still go to support your desired ministry or mission.

There are other ways to create endowments. You could establish a charitable remainder trust with real estate or securities. The trust will pay income for the rest of your life and provide peace of mind during retirement years. Later, whatever remains could be used to establish an endowment.

To find out about these and other giving options available, contact us by mailing back the enclosed response card, emailing us at abfadmin@abc-usa.org, visiting our website, or by calling us at (800) 222-3872, ext. 2035.

May God continue to bless you richly throughout this season and beyond.
